Re: **REVISED FREEDOM OF INFORMATION ACT REQUEST**
Cardinal Plant
EPA Facility ID No. 110000605426
306 County Road 7E, Brilliant, OH 43215
Our File No. 01809.0079

Dear Sir or Madam:

Pursuant to our conversation with the Water Division, we are revising our Freedom of Information Act (FOIA) request to include documents from **1972 to present** relating to the Facility's water and waste management activities, including its environmental history, environmental incidents, spills, or discharges from the Facility, and any soil or water testing results from the Facility, including without limitation,

- (i) any and all reports, test results, memoranda, letters, inter-office transmittals, and other writings, including, without limitation, any emails, messages, agreements, documents, and memoranda of telephone conversations (collectively, "FOIA Materials") relating to the Facility's water and waste management operations;

Page - 2 -

- (ii) any documents submitted by the Facility to the EPA related to the Facility's water and waste management operations;
- (iii) any and all intra-agency documents exchanged among the employees and representatives of the EPA and elsewhere relating to the Facility's water and waste management operations;
- (iv) any and all inter-agency documents between employees or representatives of the EPA and employees or representatives of the EPA with respect to the Facility's water and waste management operations; and
- (v) any and all documents that evidence, relate to, or provide the basis, justification or reasons for enforcement actions against the Facility related to its water and waste management activities.

Additionally, we understand that the cost to retrieve these records may be in excess of \$1,000.00 and we commit to paying the fees associated with this records request.

Thank you for your assistance with this matter. Please send the bill for this information to our firm. Kindly contact either of the undersigned if you have any questions concerning this request.

Cordially,

James M. Garner
Peter L. Hilbert
Darnell Bludworth
